SANTA & COLE

Indoor

Outdoor

CE

Santa & Cole commissioned Lagranja studio to design this multipurpose chair for our offices in Belloch (Barcelona). Blending plastic for the backrest and seat, with noble materials such as wood or aluminum for the legs, the Belloch chair is made for both indoor and outdoor use. The result is a simple, modern and incredibly versatile chair.

Belloch features a sleek, lightweight and stackable design combining various colours and materials. It provides superior comfort for hours on end, in public or private spaces, in leisure or work settings, all over the world, including at our headquarters, of course.

General description:
Polypropylene (PP) + glass fiber seat and back.
Natural beech wood legs and seat in 5 different finishes: off-white, light grey, black, brown and green.
Matte anodized aluminum legs (suitable for outdoor use) and seat in off-white.
Stackable.

Approximate weight (unpacked):
3 kg / 6.6 lb (with wood legs)
3,5 kg / 7.7 lb (with aluminum legs)
