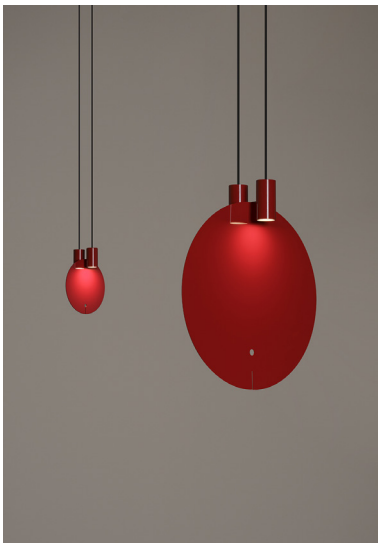
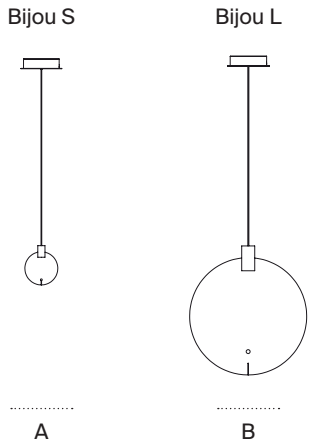
SANTA & COLE





IP 20

A precious object that offers high-quality illumination and captivates through its warm reflections. Its two vertical spotlights on either side of the plate produce a sense of volume that enriches the room.
Made in two sizes, small and large, and in two different colours, white or intense red, the nuances of the lacquered surface are revealed when switched on while its sculptural dignity prevails when turned off.

General description:
Glossy metallic structure in creme white or pure red.
White metallic circular canopy with power supply incorporated.
Electric cable length: 4 m / 157.5”

Approximate weight (unpacked):
(A) Bijou S: 1,1 kg / 2.4 lb
