Lámina 45

Antoni Arola. 2023
Wall Lamp

IP 20

A line of light and a thin aluminum sheet. The elegance of its arch is visible even to the most distracted eyes, soon pleased by the calmness of its reflected light.

The Lámina family was born aloft as a series of pendant lamps, with a lightness that speaks of intelligence. Once brought to the wall—whether vertically or horizontally—it stands out against any background through its play of shadows.
