

Sísísí Cónicas Planas

Gabriel Ordeig Cole. 1987

Pendant lamps

SANTA & COLE

A precious object that offers high-quality illumination and captivates through its warm reflections. Its two vertical spotlights on either side of the plate produce a sense of volume that enriches the room.

Made in two sizes, small and large, and in two different colours, white or intense red, the nuances of the lacquered surface are revealed when switched on while its sculptural dignity prevails when turned off.
