General Terms and Conditions of Sale

These terms and conditions are applicable to all business relations between Urbidermis S.L. and its customers. Commercial sales are pursuant to the terms and conditions set out herein, which are binding as soon as the customer places an order with Urbidermis S.L. Our acceptance of an order entails the buyer accepting these general terms and conditions.

1. ORDERS

1.1. Catalogue Products

Orders must be placed in WRITING, either by post, email or fax.

The order must specify:

- The buyer's billing details and tax ID number.
- The reference code, quantity, and quotation of the products requested as per the quote we sent you, if applicable.

1.2. Customised Products

In addition to the requirements listed in paragraph 1.1 above, you must also send technical documentation that fully specifies the product requested. This applies to special products, modifications to catalogue products, and non-standard finishes.

We give all quotes free of charge.

THE CUSTOMER cannot cancel an order more than 48 hours after receiving it without specific written authorisation from Urbidermis S.L.

All delivery dates given by Urbidermis S.L. are merely indicative. Delayed delivery does not entitle the buyer to cancel the order or demand penalties or compensation, unless explicitly agreed upon previously in writing. Notwithstanding such written agreement, if force majeure prevents Urbidermis S.L. or its suppliers from fulfilling the commitment made by Urbidermis S.L., no penalties whatsoever shall be applicable.

2. CATALOGUE / PRICE LIST

The technical information that Urbidermis S.L. provides about its products regarding models, sizes, materials and characteristics is merely INDICATIVE. Urbidermis S.L. is not legally bound by such information and may change it without prior notice.

3. PRICES

Retail prices are as set out in the current Price List, which cancels all previous price lists and which Urbidermis S.L. may change without prior notice. The prices stated are EXCLUSIVE of VAT (Value Added Tax) applicable in Spain (currently 21%).

The definitive price will in all cases be the price stated on the proforma invoice or the order confirmation.

4. GUARANTEE

All Urbidermis S.L. products are covered by the legal guarantee provided by the law in force to be free from manufacturing defects. Any defects caused by improper installation or misuse will not be covered by the guarantee. The guarantee covers replacement of the faulty goods and delivery costs. The customer must bear any additional expenses or special packaging costs.

5. TRANSPORTATION AND DELIVERY

All goods sold are available for collection from the Urbidermis S.L. warehouse in Cardedeu (Barcelona), EXW. THE CUSTOMER assumes responsibility for any damage or impairment to goods once they are collected for transportation.

The buyer assumes responsibility for the risk of transportation and bears the cost thereof (EXW). The fact of Urbidermis S.L. arranging transportation and compensating the customer by discounting all or part of the cost thereof from the price of the goods sold is entirely without prejudice to the preceding paragraphs and does not entail tacit or explicit acceptance of responsibility for the cost or risks of transportation. If the customer does not explicitly state which transport agency they want to use, both in the case of carriage forward and carriage paid deliveries, Urbidermis S.L. will send the goods ordered with the agency that it deems most suitable.

General Terms and Conditions of Sale

6. SPECIAL PACKAGING

If special packaging (e.g. wooden crates) is required, we will charge the customer separately for the additional cost.

7. CLAIMS AND RETURNS

Pursuant to Spanish law in force, the customer is entitled to make a claim to Urbidermis S.L. for any faults in the quantity or quality of the goods received.

Under no circumstance will Urbidermis S.L. be liable for damage caused to the customer or third parties due to improper installation or misuse of the goods.

You can file a claim by telephone (+34 938 619 100) or email: info@urbidermis.com.

Please state the relevant invoice number or delivery note number so that we can respond to your claim quickly.

For Urbidermis S.L. to help you file a claim to the transport company for goods lost or damaged in transit, you must clearly describe the incident on the transport company's delivery note. If you do not, Urbidermis S.L. will not be able to help you file a claim to the transport company.

Unless Urbidermis S.L. has given express written consent, product returns will not be accepted. In the event such consent is given and providing that the goods are returned in perfect condition and in the original packaging, 15% of the net value of the product will be charged for depreciation. If the goods are not returned in perfect condition and in the original packaging, Urbidermis S.L. will value the damage to the returned goods and apply a higher depreciation rate according to the condition they are in.

In all cases the customer must cover the costs of returning the goods and delivery of replacements.

8. TERMS OF PAYMENT

The full price of the goods bought is payable in advance or by bank transfer to the account stated on the Urbidermis S.L. proforma invoice.

If you wish to defer payment, you can apply for a credit limit from Urbidermis S.L. To do so please contact our Sales Department.

For customised products, at least 50% is payable on confirmation of the order and the remainder is to be agreed on by both parties.

Failure to meet the agreed payment dates will lead to automatic cancellation of your credit.

9. PRODUCT OWNERSHIP

Urbidermis S.L. will be the product owner until full payment has been made.

10. INTELLECTUAL PROPERTY

The designs of the products contained in the Urbidermis S.L. catalogues and the catalogues themselves are protected by national and international intellectual and industrial property laws and treaties. Any unauthorised use thereof constitutes a breach of those regulations and a criminal offence that may be punishable by law.

Therefore, all manufacturing, displaying, copying, translation, distribution, public communication, publishing and/or fully or partially transforming the designs and/or catalogues, in addition to any other act of exploitation thereof, is strictly prohibited without prior written permission from the rights holders.

Urbidermis S.L. owns the rights over its trademarks. Therefore, use thereof is strictly prohibited without prior written permission from Urbidermis S.L. Non-compliance constitutes an infringement of trademark rights and may result in civil and criminal proceedings under the national and international laws and treaties in force.

11. APPLICABLE LAW AND JURISDICTION

All sales are governed by the commercial legislation of Spain and Catalonia.

Any dispute regarding these terms and conditions shall be settled by the law courts of Barcelona (Spain) and the parties hereby renounce their own forum should it be any other.
