Art Price List Neoseries 2025

# ¿Qué es una Neoserie®?

## *What is a Neoseries®?*

### Neoseries: el placer del arte

Santa & Cole plantea una nueva forma de entender la obra de arte que defiende la democratización de la experiencia estética. Seleccionamos obras de artistas a quienes admiramos para reproducirlas mediante un método puntero y preciso.

Las Neoseries permiten gozar de la belleza sin la limitación de la pieza única.

### *Neoseries: the pleasure of art*

*Santa & Cole presents a whole new way of understanding works of art, advocating the democratisation of aesthetic experience. We have selected works by artists whom we admire, to reproduce them using a cutting-edge and highly accurate method.*

*Our Neoseries allows people to enjoy the beauty, without the restrictions inherent to unique pieces.*

### Los artistas perciben derechos de autor

Las Neoseries son obras en sí mismas que se realizan bajo la supervisión del artista (o herederos asignados) con intervención directa, para garantizar su calidad y fidelidad a la obra original. Al adquirir una Neoserie participas directamente en la carrera de tu artista, que recibe derechos de autor por todas las Neoseries que se producen de sus originales.

### *The artists receive royalties*

*The Neoseries are works in their own right carried out under the supervision of the original artist (or their designated heirs) with direct intervention, to ensure their quality and fidelity to the original work. When you acquire a Neoseries, you are participating directly in the career of your chosen artist, who receives royalties for all Neoseries produced from their original pieces.*

### Técnica innovadora de reproducción

Una reproducción exacta, autorizada, siempre en el mismo formato que el original. Realizadas a partir de una obra única, producidas en laboratorio y con un soporte seleccionado en cada caso según el trabajo, la luz, el trazo o pincelada del artista, las Neoseries son reproducciones totalmente fidedignas a sus originales tanto en tamaño como en color y textura, produciendo la misma experiencia que el original.

### *An innovative reproduction technique*

*An exact, authorised reproduction, always in the same format as the original. Made from a unique work, produced in the laboratory and with a support chosen in each case according to the work, light or stroke of the artist, the Neoseries are reproductions, faithful to the original in size, colour and texture, producing the same experience as the original work.*

### Neoserie abierta, numerada, autorizada y certificada

Las Neoseries son ilimitadas, numeradas, autorizadas y certificadas. Solo se producen según demanda, con lo que siempre se igualan las piezas producidas y las vendidas. Santa & Cole muestra su numeración públicamente, mediante los contadores de esta página.

### *Neoseries: unlimited, numbered, authorised and certified*

*The Neoseries are unlimited, numbered, authorised and certified. They are only produced on demand, so production never outstrips sales. Santa & Cole publicly shows the numbering using counters on this website.*
