SANTA & COLE

Santa & Cole is
an editing company
from Barcelona.
Since 1985 we have
been engaged in the
design and development
of lighting and furniture
for hospitality, the
workplace and for
residential projects.

Vocation for industrial design

Santa & Cole lives for industrial design
— the art of studying objects
to achieve a better experience in the
way we use them.

We endeavor to select only what is
interesting. Objects that stimulate and
enrich the user and help us create the
right atmosphere and improve the way
we live in our surroundings. It is not
about appearances or trends: we edit
what excites us.
